

HEIMAT

CRANBERRY LIQUEUR

One of the few fruits native to North America, cranberries grow mostly in the northern states and we are lucky to have several farms in New York. Ute heads upstate just as the leaves begin to turn color and the farmers are busy working in their flooded bogs. The cranberry liqueur is as versatile around the holidays as it is during the summer months. It's particularly notable for its balance between sweet and tart.

Category: Liqueur

Area of Production: Westchester, New York

Ingredients: Neutral spirit, locally sourced cranberries, organic cane sugar

Alcohol Content: 18%

Distillation: None, steeping of fruit

Aging: None

Filtration: Non-industrial filtration (some sediment occurs)
