

KOZAEMON

'SAKANA' JUNMAI GINJO

A true companion for the thirsty fisherman! Aromas of white flowers, navel orange, and mangosteen with a light, semi-dry palate. Delicate enough to stand on its own, but weighty enough to pair with richer fish dishes.

Category: Japanese Sake

Area of Production: Gifu Prefecture

Rice Type: Hidahomare

Rice Polishing Rate: 60%

Alcohol Content: 15.5%
